Aladdin's Lamp Must Have Been Rubbed!

The latest improvement in Sidney? Yes, the Aladdin Cafe! What a transformation — you have to look twice and "concentrate" to register the amazing change that has taken place, otherwise you would think you were in a new building.

The Aladdin Cafe (Mrs. Clarence Murray and Mrs. Frank Miller) is without doubt one of the brightest, cleanest, inviting eating places in the countryside. It is something that the two lady owners may justly be proud of — indeed all citizens of Sidney, including owners of other similar establishments, will look upon as an asset to the community.

Contractor Jack Cooper of Victoria, with a large crew of painters, carpenters, decorators, etc., descended upon the Aladdin Cafe just a matter of some days ago and the great change in appearance, inside and out, took place. The entire inside of the premises was literally removed — an entirely new layout of floor space, color scheme, etc., has been substituted. Windows have been added on the east side, a beautiful counter almost 40 feet in length with artistically curved ends shows the work of real craftsmen. The lovely bright interior with panel effects on the walls gives the place an aristocratic bearing. Outside the large building was also changed to a clean, attractive appearance by the painters, ivory with dark green trimming being the color scheme. The building is certainly outstanding in its new spring dress, adorning the northeast corner of Beacon Avenue and Third Street in Sidney. The artistic Neon sign makes the picture complete — especially at night.

Special stools for the long counter are to arrive any day now from the mainland when the furnishings will be practically complete. Mrs. Murray and Mrs. Miller invite all interested to inspect the premises. The Review suggests that all local citizens, who can conveniently arrange to drop in, to do so, and thus show appreciation of the faith placed in the growing town of Sidney.

The three brothers served with the active force of the Edmonton Fusiliers and were here on furlough. They left for Edmonton on Monday.

LADIES' NIGHT OF LEGION ENJOYABLE

The ladies' night of the North Saanich Branch, Canadian Legion, held on Friday at the North Saanich Service Club Hall, was a most enjoyable evening.

There was a good attendance of both ex-service men and ladies when the president of the branch, Comrade J. Tindell, opened the proceedings with the customary tribute to fallen comrades.

The concert party was in the hands of James Petrie and was composed of members of the First United Church Choir, Victoria. The following items were rendered:

Choruses by the group, vocal solos by J. M. Thomas, Mrs. Nash, R. Morrison, Mrs. W. H. Wilson and J. Griffiths; trios by Messrs. Thomas, Bell and Petrie, and a humorous trio by Mrs. W. H. Wilson and Messrs. Morrison and Petrie.

The program was directed and accompanied on the piano by George Peaker.

In addition to the concert party two exhibitions of Scotch dancing by the Misses Mary and Helen Burgess, Walter Burgess and Miss Gwen Dewar with Captain C. R. Wilson playing the bagpipes.

An interesting feature was the presentation of a past president's badge to Comrade H. L. Ricketts, the presentation being made by Comrade Alan Calvert, the senior past president of the branch present.

After a hearty vote of thanks to the artists dancing was indulged in to the music of Mrs. Holt's Orchestra.

Supper was served in the basement.

The winner of the prize quilt was Miss Doris Sutherland, 1192 Fort Street, Victoria (Ticket No. 1857.)

YOU CAN SAVE FOR VICTORY

Commencing next week, a systematic house-to-house canvass will be made in the North Saanich district to obtain pledges for War Savings Certificates.

The committee in charge consists of Mrs. C. F. Gibson (chairman), Mrs. R. Horth, Miss A. M. Stewart and Miss Jean Macdonald. Teams of canvassers under the able direction of these ladies will endeavor to obtain a pledge from every household, realizing, as we must, that every dollar which can be saved from even the smallest budget is necessary to help finance Canada's war effort.

Most all the other districts on Vancouver Island have already been thoroughly canvassed, with most encouraging results, and the provincial committee expects North Saanich to get behind this effort with traditional vigor.

Help your country and provide a neat egg for your future by regularly buying War Savings Certificates!

Woman's Auxiliary Held Silver Tea

GANGES, April 23.—The regular monthly meeting of the Salt Spring Branch of the Woman's Auxiliary took place last Friday afternoon at the home of Mrs. E. Walter, Ganges. The president, Mrs. H. Moorhouse, was in the chair, and, after routine business, a short discussion took place regarding the annual church fete, in connection with which St. George's Altar Guild will be asked to join in with the Woman's Auxiliary and St. Mary's Guild. The kind offer of Mrs. O'Callaghan, president of St. George's Guild, to lend her house and garden at Ganges for the fete, was gratefully accepted.

Following the meeting, Mrs. Walter also kindly lent her house for a silver tea. A stall for home cooking, etc., was presided over by the dorcas secretary, Mrs. F. Stacey, and a flower and plant stall by Mrs. H. A. Robinson. The tea conveners were Mrs. W. Palmer and Mrs. J. Byron. Mrs. W. K. By the afternoon's proceedings over \$12 was realized for the funds.

MEN'S SUPPER MEETINGS ARE CONCLUDED

The final meeting of the Men's Supper Group was held on Wednesday, last week. There were 57 guests to the supper, including the ladies, the excellent meal, as usual, being prepared and served by the Women's Association of St. Paul's United Church.

The speaker for the evening, Mrs. Irene Baird, of Victoria, chose for her topic "Good Neighboring Come Of Age" and drew a very fine picture of the various steps which had been taken to draw the English-speaking democracies, particularly the United States, Great Britain and Canada, together.

Questions and discussion after the address elicited various points and in some cases quite divergent views on the subject.

A hearty vote of thanks to the speaker and the national anthem terminated a most enjoyable and instructive season of meetings.

Christening Ceremony At Fulford Home

FULFORD, April 23.—On Monday, April 14th, "Dromore," the home of W. J. L. Hamilton, Fulford Harbour, was the scene of a very pretty christening ceremony when the youngest son of Mr. and Mrs. Lawrence Hamilton was given the name of Ross Gerald Albert.

The Rev. Thompson of Cherry Point was invited to officiate for the occasion, and after the ceremony the guests were served an attractive tea, and the christening cake, which was made by his aunt and godmother, Mrs. A. Davis, was prettily decorated in pink and white, with a white gardenia and gold leaves in the centre and pink and white doves dotted around.

The table on which the christening bowl stood was covered with an exquisite white linen cloth embroidered in wreaths of blue forget-me-nots, and the rooms were very prettily with white lilies and apple and cherry blossoms and bowls of blue forget-me-nots.

Among the many guests present was his brother, Gunner J. H. McDonald of Fort Golf Hill, who was on furlough and was able to be home for the occasion.

\$25,000 For Local Road Improvement

At the annual banquet of the Saanich Board of Trade held last night (Tuesday) in the Institute Hall, Brentwood, at which about 100 guests were present, including representatives of the Dominion and Provincial Governments, it was stated by government spokesman that an additional \$25,000 of the allotment of 13,000 was to be spent on the East and West Saanich Roads.

EVENING OF FUN BRINGS IN \$24.40

GANGES, April 23.—A most enjoyable evening of charades, under the convenship of Mrs. J. Mitchell, was spent recently at "Barnsbury," the home of Mr. and Mrs. N. W. Wilson and kindly lent by them to the members of the Ganges Chapter, I.O.D.E.

About 100 persons were present at the entertainment, which was given in the club room. The decorations of the reception rooms was carried out almost entirely with lilac.

Four charades were represented during the evening and the prize, decided by popular vote, was awarded to the dramatization of the words Winston Churchill; those taking part were: Mrs. G. Shove, Mrs. Fred Morris, Mrs. Ray Morris, Mrs. Colin King, Misses Shirley Wilson, Betty Kingsbury, Denise Crofton, Pat Roberts and Mr. Donald Corbett, all of whom gave a screamingly funny interpretation of the various syllables.

The second, pyrethrum, was a very clever and well thought out performance, given by Major F. C. Turner, Mrs. Warren Hastings, Mrs. G. Fanning and Miss Norah Turner.

The two others, amusingly carried out, were Excelsior and Paradox. In the former, the parts were taken by Mrs. J. Mitchell, Mrs. F. Penrose, June Mitchell and Ormonde Springford, and in the latter, by Mrs. Jack Abbott, Misses Stella, Manson, Isabelle, Fyvie, Beatrice May and Elsie Price.

Between the charades, Mrs. Hastings and C. H. Trafford supplied some delightful incidental music.

Following the program and under the management of Mrs. A. R. Price and Mrs. J. Byron, assisted by members of the chapter, refreshments consisting of coffee and doughnuts were served.

The proceeds derived from the entertainment, \$24.40, will go to purchase material to make into clothing for evacuees. For this purpose a sewing club has started on Monday afternoons in the Consolidated School.

PRESENTATION TO A. J. EATON

GANGES, April 23.—The monthly meeting of The Lady Minto Gulf Islands Hospital, Ganges, was held recently in the board room of the institution with the president, W. M. Mount, in the chair.

The presentation was made by Mr. Mount, who in a short speech conveyed to the recipient and Mrs. Eaton the many good wishes of the members of the board, on whose behalf he was presenting the gift. He also expressed to Mr. Eaton the thanks of his colleagues for the services he was rendering to the hospital and the work he had already accomplished during his eight years in office.

After expressing his great pleasure at receiving the gift, Mr. Eaton, in the name of his wife and himself, cordially thanked the board for their generosity.

The General Construction Company of Vancouver received a Transport Department contract for grading. It was divulged what the value of the contract amounted to. Other large contracts are also about to be let, we believe.

His subject is of vital interest to all and should prove most interesting and educational. It is hoped that as many as possible will avail themselves of this opportunity of hearing such a noted speaker as Rev. Armour and to hear and see a little of what is going on in other countries at this time of strife and conflict.

The local committee of the British & Foreign Bible Society is in charge of this meeting and further information may be learned by turning to Coming Events.

INSTITUTE TO ARRANGE DAY FOR CHILDREN

FULFORD, April 23.—The monthly meeting of the South Salt Spring Island Women's Institute was held recently at the home of Mrs. Robert McLennan, Burgoyne Valley Road, the president, Mrs. W. Hamilton, presiding.

It was decided, for this year, to give up the idea of holding a May queen contest, but to arrange a day for the children, some time prior to the 24th of May, to organize for the benefit of the children a parade of decorated bicycles and other vehicles, to be followed by a program of sports. Mrs. Hamilton and Mrs. M. Gyves were appointed conveners and Mrs. A. Hepburn and Miss H. Pottinger (teachers of the Burgoyne Bay and Isabella Point Schools) to be on the committee.

Tea will be served during the afternoon and in the evening a dance will be held in the Fulford Community Hall.

It was decided to hold the next meeting at the home of Mrs. M. Gyves.

After the meeting there was a silver tea at which the sum of \$13 was realized for the Institute Ward in The Lady Minto Gulf Islands Hospital at Ganges.

Following routine business, Mrs. J. J. Anderson, knitting convener, reported 18 sweaters, five helmet caps and 12 pairs of socks had been finished and brought to the meeting. On the completion of three more sweaters, now almost ready, all the articles will be sent to the Salt Spring boys' station at Delbert Camp, Truro, N.S.

Plans were discussed for the raising of money for more wool and Mrs. Anderson was authorized to purchase some to go on with.

It was announced that the winner of the contest, for the hand-

Although the northern lights have often been seen it is only on rare occasion that they are as luminous as seen last week.

In CANADIAN SCHOOLS

Children ask Questions

Boys and girls are encouraged to ask questions in Canadian schools. They are not forced to accept false principles and theories without challenge.

This is the freedom of democracy... the freedom we are fighting to maintain. What a difference this from the fetters that a Nazi victory would impose on Canada... and on the world!

So... you who want your children to be educated in schools where freedom of thought and action is allowed and encouraged... do your part to help to win the war.

Keep up YOUR PLEDGE!... Increase Your Regular Investments in WAR SAVINGS CERTIFICATES

Remember—when Victory is won your dollars come back to you with compound interest. The more you save and lend, the better for Canada NOW—the better for you THEN.
